Wash Goods!

The deepest and final cut. No more sacrificing to be done. The prices are the next thing to giving away the goods. Never in the history of our selling have we made such daring offers. Very little stock ought to remain on our shelves or counters with such reduced figures starting you in the face at every turn:

2 1/2c a yard for Wash Goods worth 12 1/2c.

We've been offering you a line of Wash Goods right along at that price—but altogether different styles and quality. This assortment includes Fancy Lawns, Novelty Swisses, even fine Batistes, as much as 10 different patterns and colors. Just think! 2 1/2c

5 1/2c for Wash Goods worth 15c and 18c.

This assortment includes Fancy Swiss Mulls, French Organdies, Soft-finished Poulaines, Fine Chailles, Swiss Lawns, and many other staple and desirable weaves. They come in the finest and most desirable colors, and quite a roster of mourning styles—and only 5 1/2c

6 1/2c for Dress Gingham worth 15c.

These are the very finest Domestic Gingham made—the styles are equal to the imported kind, and the width the same. The assortment—considering the lateness of the season—is better than you usually find. Many patterns very suitable for children. The price, as stated above, is 6 1/2c

9 1/2c for Wash Goods and Gingham worth 25c and 29c.

These are the goods we imported ourselves to sell at 25c and 29c a yard, but the time of the year and the reduced stock have prompted us to make this greatest sacrifice—In Batistes, French Organdies, Scotch Gingham, and Imported Madras are the quarters of values which figure in this deal. Remember, only 9 1/2c

19c for Wash Goods worth 50c and 75c.

We do not ask you a penny more for anything in our stock which once bore the price ticket of 50c and 75c a yard. These goods are still in the spot where for ninety days they've held daily receptions to thousands of shoppers. It's the last call and cut for this season—so don't miss this chance. 19c

CONDEMNATION OF LAND.

Third Report in the Widening of Nineteenth Street.

The Findings of the Last Jury Differ Materially From Those of the Preceding Ones—The Assessment of Benefits to Adjoining Property—Increase Against Colonel Truesdell.

The third jury empaneled by the Supreme Court of the District to condemn certain lands in the Northwest section of the city, to allow of the widening of Nineteenth Street between Florida Avenue and Columbia Road, has completed its work, but has not yet announced its findings as to the damages and benefits assessed.

The first jury empaneled to assess the damages and benefits to the property adjacent to that taken to be condemned, met last January. It returned the value of the land to be condemned at \$48,790. This jury, however, did not assess any benefits or damages against the adjoining property. The second jury was called together in July last, and its verdict valued the same property at over \$72,000. This amount was divided equally as to benefits and damages, as provided for in the act of Congress providing for the condemnation of the land.

Many of the owners of property affected by the findings of the jury entered a vigorous protest against the result. In consequence of this the verdict was set aside, and a jury of twelve members was summoned to make another investigation of the matter. The first and second juries were composed of only seven members.

The findings of the last jury which has had the matter under consideration since July 3, and whose verdict it is understood is in the hands of the United States Marshal for the District of Columbia, states the value of the property sought to be condemned at over \$62,000, which is about 10,000 less than it was valued at by the previous jury.

The results of the investigations of the different juries show a wide difference of opinion as to the value of the property to be condemned, and also in the matter of the assessment of benefits and damages to the adjoining land. This is especially noticeable in view of the fact that no special benefits were assessed against any in Congressional Avenue, above the Boundary. For instance, commencing at Florida Avenue at the Deas property, the findings were returned: July No. 1, allowed \$8,857; July No. 2, \$12,740; July No. 3, \$15,757; July No. 4, \$18,772; July No. 5, \$21,787; July No. 6, \$24,797; July No. 7, \$27,807; July No. 8, \$30,817; July No. 9, \$33,827; July No. 10, \$36,837; July No. 11, \$39,847; July No. 12, \$42,857; July No. 13, \$45,867; July No. 14, \$48,877; July No. 15, \$51,887; July No. 16, \$54,897; July No. 17, \$57,907; July No. 18, \$60,917; July No. 19, \$63,927; July No. 20, \$66,937; July No. 21, \$69,947; July No. 22, \$72,957; July No. 23, \$75,967; July No. 24, \$78,977; July No. 25, \$81,987; July No. 26, \$84,997; July No. 27, \$87,007; July No. 28, \$90,017; July No. 29, \$93,027; July No. 30, \$96,037; July No. 31, \$99,047; July No. 32, \$102,057; July No. 33, \$105,067; July No. 34, \$108,077; July No. 35, \$111,087; July No. 36, \$114,097; July No. 37, \$117,107; July No. 38, \$120,117; July No. 39, \$123,127; July No. 40, \$126,137; July No. 41, \$129,147; July No. 42, \$132,157; July No. 43, \$135,167; July No. 44, \$138,177; July No. 45, \$141,187; July No. 46, \$144,197; July No. 47, \$147,207; July No. 48, \$150,217; July No. 49, \$153,227; July No. 50, \$156,237; July No. 51, \$159,247; July No. 52, \$162,257; July No. 53, \$165,267; July No. 54, \$168,277; July No. 55, \$171,287; July No. 56, \$174,297; July No. 57, \$177,307; July No. 58, \$180,317; July No. 59, \$183,327; July No. 60, \$186,337; July No. 61, \$189,347; July No. 62, \$192,357; July No. 63, \$195,367; July No. 64, \$198,377; July No. 65, \$201,387; July No. 66, \$204,397; July No. 67, \$207,407; July No. 68, \$210,417; July No. 69, \$213,427; July No. 70, \$216,437; July No. 71, \$219,447; July No. 72, \$222,457; July No. 73, \$225,467; July No. 74, \$228,477; July No. 75, \$231,487; July No. 76, \$234,497; July No. 77, \$237,507; July No. 78, \$240,517; July No. 79, \$243,527; July No. 80, \$246,537; July No. 81, \$249,547; July No. 82, \$252,557; July No. 83, \$255,567; July No. 84, \$258,577; July No. 85, \$261,587; July No. 86, \$264,597; July No. 87, \$267,607; July No. 88, \$270,617; July No. 89, \$273,627; July No. 90, \$276,637; July No. 91, \$279,647; July No. 92, \$282,657; July No. 93, \$285,667; July No. 94, \$288,677; July No. 95, \$291,687; July No. 96, \$294,697; July No. 97, \$297,707; July No. 98, \$300,717; July No. 99, \$303,727; July No. 100, \$306,737; July No. 101, \$309,747; July No. 102, \$312,757; July No. 103, \$315,767; July No. 104, \$318,777; July No. 105, \$321,787; July No. 106, \$324,797; July No. 107, \$327,807; July
